(Sd.) W. Maxwell,
Offg: Secy. to the Govt. of India.

No. 891.

Mysore Resident's Office,
Bangalore, dated the 12th February 1910.

A copy of the foregoing notification is forwarded herewith to the Government of His Highness the Maharaja of Mysore, for information, in continuation of this office letter No.687, dated the 4th February 1910.

W. G. [illegible]
Major,
First Assistant Resident.

K.H.

No. 9001, dated 16th September 1909.

From—The Honourable Mr. R. A. Lamb, C.S.I., C.I.E., I.C.S., Chief Secretary to the Government of Bombay, Revenue Department,

To—The Secretary to the Government of India, Finance Department.

I am directed to forward, for the consideration and orders of the Government of India, copies of the memorandum from the Commissioner of Customs, Salt, Opium and Abkari, No. 5272, dated 21st August 1909, and the correspondence underlying it, regarding the desirability of subjecting eucaine and other synthetic substitutes of cocaine, *viz.*, bota eucaine, lactate eucaine and holocaine, to the same customs and excise restrictions as have been imposed on cocaine and novocain, and to intimate the concurrence of the Governor in Council in the view expressed by the Commissioner as to the expediency of adopting such measures as early as possible.

No. 1089 A., dated 11th August 1909.

From—P. J. Mead, Esq., B.A., I.C.S., Collector, Surat,

To—The Commissioner of Customs, Salt, Opium and Abkari, Bombay.

I have the honour to state that, in the opinion of the Civil Surgeon, Surat, eucaine in its properties and effects resembles cocaine, and that its use should be controlled in the same way that the use of cocaine is. In the circumstances, I have the honour to request that you will be good enough to refer me to any orders proscribing eucaine or take steps now to cause it to be proscribed (*vide* Government Resolution No. 291, dated 12th January 1909, on novocain).

No. 5272, dated 21st August 1909.

Endorsed by the Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Submitted to Government in the Revenue Department with copies of a correspondence between the Commissioner and the Collector of Customs on the same subject, ending with the Commissioner's No. 5065, dated the 20th August 1908. The Commissioner considers that it is better to prohibit these importations while they are few than to wait until they have grown into a business. It is therefore requested that steps may be taken to place eucaine under the same restrictions as novocain and cocaine, as requested by the Collector of Surat. The importation of novocain has been restricted by the Government of India Notification No. 7079—91, dated the 23rd August 1907, and other restrictions on the article have been placed by Government Resolution No. 291, dated the 12th January 1909.

No. 6689, dated 30th April 1908.

From—A. S. A. Westropp, Esq., I.C.S., Collector of Customs, Bombay,

To—The Commissioner of Customs, Salt, Opium and Abkari, Bombay.

I have the honour to invite your attention to Customs Circular No. VII of 1907 (*vide* also Government of India's Notification No. 7079—91, dated the 23rd August 1907, Department of Commerce and Industry) prohibiting the importation of novocain, and to suggest that Government may be moved to include therein "eucaine hydrochloras" and other substitutes for cocaine described at pages 229 and 230 of Squire's Companion to the British Pharmacopœia, edition 1899. The Chemical Analyser observes that "eucaine hydrochloras," salts of cocaine and the other substitutes referred to above may be classed in the same category as cocaine.

As the importation of cocaine has been restricted, it is not improbable that an attempt may be made to introduce it into the country in some other form. At present, however, such substitutes are imported in very small quantities as will be seen from the statement attached, but it might be prudent to anticipa t their importation by inclusion of them in the same Circular with novocain.

No. 3026, dated 20th May 1908.

Endorsed by the Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Returned with compliments.

2. Before the Commissioner can support the Collector's recommendation, he must be made aware in the case of each article to which the Collector refers (1) that it is cocaine, wholly or principally, (2) that it is capable of being used in the same deleterious way as cocaine, and, if so, (3) that the danger arising from its unrestricted importation is such as to counterbalance the hardship imposed on *bonâ fide* users by prohibition.

No. C.—8469, dated 3rd June 1908.

Memorandum from—G. A. THOMAS, Esq., Acting Collector of Customs, Bombay,

To—The Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Returned with compliments.

2. The undersigned has the honour to state as follows :—

(*i*) Regarding (1), it appears that none of the articles is cocaine and that each has a chemical analysis different from that of cocaine proper. But as all of them have properties similar to those of cocaine and are expressly prepared for use as substitutes for cocaine, they may properly be classed in the same category. Novocain, a similar synthetic substitute, has already been prohibited in the same manner as cocaine (*vide* Government of India's Notification No. 7079 of 23rd August 1907).

(*ii*) As regards (2), the Chemical Analyser's view has already been set forth in this office No. 6689, dated the 30th April 1908, from which it appears that eucaine and the other substitutes for cocaine described on pages 229-230 of Squire's Companion to the British Pharmacopœia are intoxicating drugs capable of being used in the same deleterious way as cocaine.

(*iii*) As regards (3), the undersigned thinks that no hardship will be caused to *bonâ fide* users by a restriction being imposed on importation, as the only *bonâ fide* users of these drugs are medical men who can obtain the drugs in the same way as they do cocaine at present.

No. 3587, dated 13th June 1908.

Endorsed by the Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Forwarded to the Collector of Bombay with a request that he will be good enough to ascertain, by inquiries from reliable chemists and medical men, whether there is any immediate danger of these substitutes for cocaine being used as common intoxicants.

No. A.—3146, dated 29th July 1908.

Memorandum from—G. W. HATCH, Esq., Collector of Bombay, Excise Department,

To—The Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Returned with compliments. On inquiry being made from chemists and medical men it appears that the substitutes for cocaine referred to by the Collector of Customs are not at present used as common intoxicants, nor so long as cocaine is obtainable is there any immediate danger of their being so used.

No. 5065, dated 20th August 1908.

Endorsed by the Commissioner of Customs, Salt, Opium and Abkari, Bombay.

Forwarded to the Collector of Customs, Bombay, for perusal and return. The undersigned does not propose to take any action at present.

Statement showing the imports of synthetic substitutes of cocaine during the years 1907 and 1908.

Three ounces of holocaine were imported in 1907 and 20 grains in 1908.
The following other substitutes for cocaine were imported last year :—

5 ounces and 5 grains of eucaine,
7 ounces and 200 grains of beta eucaine,
224 grains of lactate eucaine,
54 grains of novocain, and
2 lbs. eucaine and cocaine pastilles.

A. S. A. WESTROPP,
Collector of Customs, Bombay.

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE,

Bangalore, dated 8th March 1910.

Sdy. 167-09-8 (4)

From

H. H. Sparkes, Esquire,
Excise Commissioner in Mysore.

To

C. S. Balasundram Iyer, Esq., B.A.,
Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

Adverting to your letter No. Fl.4246/S.R.167-09-3, dated the 24th February 1910, forwarding for report the correspondence on the subject of imposing Excise restrictions on the drugs known as Eucaine beta-eucaine, lactate eucaine and holocaine, I have the honor to stat that in the Madras Presidency these drugs have already been brought under the Abkari Act - Vide Notification No. 71 dated 7-2-10, of the Madras Government published on page 176 of the Fort St: George Gazette, dated the 8-2-10, as also Notification No.8 dated the 11th February 1910 of the Board of Revenue (Separate Revenue), copies of which were sent to you under cover of my letter No. 6934 dated 21-2-10. The same procedure may be followed in the State also.

2. I append the necessary Notifications which I propose to issue in the matter. As regards medicated articles containing the - - aforesaid drugs the Government may be pleased to issue the follow--ing notification:-

" In exercise of the power conferred by section 71 of the Mysore Excise Regulation V of 1901, the Government of His Highness the Maharaja are pleased to prohibit from and after 1st May 1910, throughout the Mysore State, the sale of any medicated article - - containing eucaine, beta-eucaine, lactate eucaine, and holocaine--

except

E X C I S E D E P A R T M E N T .

Notificate No. dated

In virtue of the power delegated to him under Government Notifi-cation No. Fl.1882/S.R.25-09-2, dated the 2nd October 1909, the Excise Commissioner hereby prescribes under section 24 of the said Regulation the following rules for the issue of licenses for the -- sale of Eucaine, Beta Eucaine, Lactate Eucaine and Holocaine : -

(i) The sale of Eucaine, Beta Eucaine, Lactate Eucaine and Holocaine without a license is illegal under section 15 and punish-able under section 55 of the Mysore Excise Regulation V of 1901, as amended from time to time.

(ii) Licenses for the sale of Eucaine, Beta Eucaine, Lactate Eucaine and Holocaine may be issued by Deputy Commissioners after obtaining the sanction of the Excise Commissioner free of fee, to aproved persons on their showing that they have a legitimate demand for the drug as Medical Practitioners or as Chemists and Druggists.

(iii) The sale of Eucaine, Beta Eucaine, Lactate Eucaine or Holocaine, except to a licensed vendor or possessor will be allowed only on the prescription of a qualified Medical Practitioner.

(iv) Eucaine, Beta Eucaine, Lactate Eucaine or Holocaine, -- includes every preparation and admixture of the drug.

H. H. Sparkes.

Excise Commissioner.

EXCISE DEPARTMENT.

Notification No. dated

In virtue of the powers delegated to him under clauses 4 and 6 of Government Notification No. 11287/Exc.F.3-1901, dated the 7th January 1902, the Excise Commissioner hereby prescribes under section 10 and 13 of the Mysore Excise Regulation V of 1901, the following as the maximum quantities of Eucaine, Beta Eucaine, Lactate Eucaine or Holocaine in excess of which permits for transport, and licenses for possession shall be required : -

(i) Where it is in a dry state, 6 grains.

(ii) Where it is in solution, 25 grains.

Medical and other practitioners who wish to possess Eucaine, Beta Eucaine, Lactate Eucaine or Holocaine for use in the exercise of their profession, but not for sale, will be required to take out a license, and will be permitted to possess not more than half an ounce of each. The license will be issued by Deputy Commissioner free of fee.
